

## Single User Software License

The purchaser (“User”) of the ADInstruments software is licensed to install the software on up to three computers for use with one PowerLab data acquisition unit. That is, the software can be used for analysis purposes on three separate computers, however this license can only be used with one PowerLab unit to perform data acquisition.

The software may not be made available to any other person or organization without the consent of ADInstruments. The full terms and conditions of the license are shown on the following page of this document.

Any questions should be directed to your local ADInstruments office.

## **License:**

One Single User License agreement for ADInstruments software. Please read this before using this software. By using the software, the User is agreeing to be bound by the terms of this license.

### **1. License**

This ADInstruments License Agreement is a legally binding agreement between the User and ADInstruments, for the ADInstruments software product specified, which includes computer software and may include associated media, printed materials and online or electronic documentation. By installing, copying or otherwise using the Software, you agree to be bound by the terms of this Agreement. If you do not agree to the terms outlined, return the software unused.

### **2. Permitted Uses and Restrictions**

This license allows the User to:

- a) Install and use the software on up to three computers, however only one licensed copy can be used for data acquisition with a PowerLab unit at any one time.
- b) Make one copy of the software for backup purposes.

### **3. Copyright**

You may not reverse engineer, decompile or disassemble the software. You may not copy the software items, except as outlined in Permitted Uses and Restrictions. All ADInstruments software, hardware and documentation is protected by copyright and may not be reproduced or altered in any way, nor may products be derived from or based on it. ADInstruments retains the exclusive ownership of the trademarks and registered trademarks represented by its company name, logo and product names.

### **4. Transfer**

Software may not be rented, leased, sub-licensed or lent to any party. This license is not transferable.

### **5. Limited Warranty**

ADInstruments warrants the media on which the software is supplied to be free from defects in materials and workmanship under normal use of a period of ninety (90) days from the date of purchase.

### **6. Limitation of Liability**

Under no circumstances will ADInstruments be liable for any incidental, consequential or special damages resulting from use of Software Items. Some states or jurisdictions do not allow the exclusion or limitation of such damages, so the said limitations may not apply to you.

### **7. Upgrades**

Single user software upgrades may be purchased when available. The Upgraded Software Items are bound by the terms of this license.

### **8. Additional Software Seats**

The User can purchase additional ADInstruments software seats for analysis purposes. Each additional seat can only be installed on one computer.

### **9. Controlling Law and Severability**

This license shall be governed by the laws of the territory into which the software is sold, or if sold into the United States of America, by the laws of the State of California.

### **10. Complete Agreement**

Amendments and modifications to this agreement will not be accepted unless in writing and signed by an authorized representative of ADInstruments Pty. Ltd.
